Hurdles: Four Chance Encounters

The Red Cross delivered the first loads of food and juices, and families bathed outside from a water spigot. Study finds Jurassic ecosystems were similar to modern: Animals.

The Pet Menagerie

And with them we agree, for we altogether deny that matter ought to be spoken of as unbegotten or uncreated, agreeably to our former statements, when we pointed out that from water, and earth, and air or heat, different kinds of fruits were produced by different kinds of trees; or when we showed that fire, and air, and water, and earth were alternately converted into each other, and that one element was resolved into another by a kind of mutual consanguinity; and also when we proved that from the food either of men or animals the substance of the flesh was derived, or that the moisture of the natural seed was converted into solid flesh and bones - all which go to prove that the substance of the body is changeable, and may pass from one quality into all. Maria Montessori-a woman who dared to reimagine how we learn, and recognized the dignity and capacity of all human beings.
