His Straight Roommate: A First Time Gay Erotica

In many ways it seems as if there was intentional solace in the silent voices of the slaves in the text. In summer the polar continental air mass will remain dry and cloudless as it moves over land which is warmer than at the source but, when subjected to surface heating over long distances, it becomes converted into a warm air mass which, if it then moves over a cool sea, becomes stable, picks up moisture, and fog or low stratiform cloud may form.

Black Ghosts

My next full SF project will be very different, I think, as I've become much more interested in issues of sustainability, for instance. You have a brilliant mind, Christ led by the Holy Ghost who is grace to all men that follows the wisdom of God rather the foolishness of the world.

A View of Nature: In Letters to a Traveller Among the Alps Volume 2

Jesus said that the poor would always be with us.
