Midnight Masque (The Josie Hawk Chronicles Book 3)

There are those who, with Silicon valley style efficiency, would see a world language of supposed succinctness and prescribed precision as a harbinger of world peace, but a certain writer of English knows, as does a certain writer of French or of Japanese and every other written language still

alive on human tongues, that the illusion of greater communication only brings ruin upon us - that we can choose between the beautiful babble of human languages worldwide, a blessing in disguise from God, and the world-destroying nothing-ese of a Newspeak that condemns us all to soul-stilling sameness. I hope you have a Merry Christmas and a New Year filled with wonderful experiences with the classics.
