### **Tre Charivari - Score**

Bernard recalled that during her college years, most undergraduate college music majors were required to complete a year or two of a piano minor in a group piano lab before taking private lessons. Article continues after advertisement.

### **Sheffield: past and present**

Maxman worked side-by-side with women and families who had experienced the first-hand horrors of genocide, and yet mustered the strength and courage to resume food production and the rebuilding of social fabric at the community level. Yet Berkeley creates a crescendo of climaxes and revelations of solutions, with Roger Sheringham, the detective presumptive, assigned by the luck of the draw the fourth presentation.
